Notification of environmental impact assessment in a transboundary context

Dear NN,

We would like to inform you that _____ (Party of origin) is planning to implement a project with a possible adverse transboundary impact. _____ (Proponent). The project (activity) may have a possible transboundary environmental impact, including (specify the situations).

General project data

According to the legislation of the Party of origin the project is subject to environmental impact assessment which begins at the moment. This notification is sent with the aim to strengthen international cooperation in the field of environmental protection in Central Asia and following the obligations to implement the Convention on Environmental Impact Assessment in a Transboundary Context.

We kindly ask you to inform us about your intention to participate in the environmental impact assessment of this project in a transboundary context.

We ask you to send your reply on participation/non-participation in the environmental impact assessment process within 30 calendar days of the date of the receipt of this notification.

With Regards,

Party of Origin

Competent environmental authority
