Dear Ms. Mukanova,

Re: Communication to the Aarhus Convention Compliance Committee concerning compliance by Kazakhstan with provisions of the Convention in connection with the Road Corridor Project (Ref. ACCC/C/2011/59)

On behalf of the Aarhus Convention Compliance Committee, I refer to the discussion of the above referenced communication at the thirty-fifth meeting of the Compliance Committee (Geneva, 13-16 December 2011). The Committee expressed its strong concern that the Party concerned had chosen not to participate in the discussion of the communication, which was the sole opportunity for the Committee to have heard from the communicant and the Party concerned in the presence of the other.

The advance unedited copy of the report of the meeting, including information concerning the discussion on the communication at issue, will be shortly accessible at the following link <http://www.unece.org/env/pp/ccMeetings.htm>.

Following the discussion of the communication, the Committee requested you to submit some additional information, as detailed in the questions annexed to the present letter. You are invited to reply to the questions as soon as you can, but no later than 1 March 2012.

The Compliance Committee hopes to be able to complete the preparation of its draft findings with regard to the communication at its thirty-sixth meeting (Geneva, 27-30 March 2012), after which the draft findings will be circulated for comment to the parties concerned.
