**Subject:** Programme Temelin Hearing Ceské Budejovice available? Logistics for busses from Germany

Dear Mr Evzen Dolezal

excuse me please, but we do have urgent questions to MZP in Praha because of Temelin Hearing in Ceské Budejovice.

2012-06-22 Programme Temelin Hearing Ceské Budejovice is already available?

You will be so kind and ask the German Embassy to be in Ceské Budejovice too?

Please excuse me for getting nasty. But even quite some communities like Nürnberg are unhappy about your plannings.

Start will be 10:00 o'clock.

And then? The end will be?

Will everybody get a chance to talk?

Or go home even without the chance to say a single word?

Please do take note, we are no communistblocks, each person coming is responsible for him or herself, there will be no leaders talking or writing for anybody else. Each person should have the time to talk.

We will have to come with busses to you and we have to do some logistics. We will be driving 5 to 6 hours. Others even longer. It is an expensive excursion you are forcing us to do. We are not happy about it.

In awaiting your answer and looking forward to see you in Ceské Budejovice.

Best regards,

Brigitte Artmann
