**REPORT OF THE REGIONAL MEETING ON DAM SAFETY COOPERATION
IN CENTRAL ASIA**

Almaty, Kazakhstan, 19-20 November 2013

This report has been issued without formal editing by the Environment Division of the UN Economic Commission for Europe (UNECE) Secretariat

A. ORGANIZATION OF THE MEETING

1. The Regional Meeting on Dam Safety Cooperation in Central Asia was held in Almaty, Kazakhstan, on 19-20 November 2013. The meeting was organized by the UN Economic Commission for Europe (UNECE) in cooperation with the Economic and Social Commission for Asia and the Pacific (UN ESCAP), the Executive Committee of the International Fund for Saving the Aral Sea (EC IFAS), with the support of the Eurasian Development Bank and the Russian Federation. Organizational support for the meeting was provided by the Executive Board of IFAS (EB IFAS) in the Republic of Kazakhstan.

1. Objectives of the Meeting

2. The meeting reviewed main results of previous efforts focused on dam safety in Central Asia, and discussed proposals on priority directions of further cooperation to ensure the safety of hydraulic structures at the national and regional levels. In addition, the aim of the event was to share relevant experiences among the participants.

2. Participants

3. The meeting was attended by 18 participants from Kazakhstan, Kyrgyzstan, Tajikistan, Uzbekistan and Azerbaijan; the IFAS was represented by 3 participants. There were also representatives of the UNESCAP, the World Bank, the German Society for International Cooperation (GIZ), and the Eurasian Development Bank. Together with the staff of the UNECE secretariat, consultants and representatives of other organizations the meeting was attended by 39 people. The list of participants is shown in Annex 1 to this report.

3. Opening of the Meeting

4. The Meeting was opened by Mr. Medet Ospanov, Director of the EB IFAS in Kazakhstan. He noted the importance of dam safety in Central Asia and stressed the significance of contribution made thereto by the “Dam Safety in Central Asia: Capacity Building and Regional Cooperation” Project.

5. Mr. Serik Bekmaganbetov, Advisor, SCO and Transboundary Rivers Office, Pan-Asian Cooperation Department, Ministry of Foreign Affairs of the Republic of Kazakhstan, spoke on behalf of the Government of the Republic of Kazakhstan. He expressed gratitude to the UNECE for their support and assistance in addressing issues of such a high importance for Central Asia and wished all the participants of the meeting productive work, interesting discussions and implementation of the conceived plans.

6. Mr. Bo Libert, Regional Adviser, UNECE, in his address briefly summarized the results of activities since the last meeting, and expressed hope for a productive future work in ensuring dam safety in the region.

7. Mr. Nikolay Pomoschnikov, Head of Sub-Regional Office of UN ESCAP in North and Central Asia in his welcoming word informed the meeting of the preparedness of his office to facilitate cooperation on dam safety and wished everyone success.

8. Mr. Shukhrat Talipov, representative of the Executive Committee of IFAS welcomed the participants and noted that the new EC IFAS will make every effort to facilitate implementation of the ASBP-3 in general, and of the program component on dam safety in particular.

9. Mr. Tulegen Sarsembekov, Deputy Chief of the Technical Assistance Office, Analytical Department of the Eurasian Development Bank, in his address assured the meeting of the bank's unchanged intentions to support the activities to ensure the safety of hydraulic structures in the region.

4. Election of Chairs

10. Messrs. Medet Ospanov, Director of the Executive Board of IFAS in Kazakhstan; Iskender Dzholdoshaliyev, the Head of the Technical Policy and Investment Office, Department of Water Resources of Kyrgyzstan; Akbarhodzha Nabiyeu, Director of the Tajikgiprovodkhoz Institute of the Ministry of Land Reclamation and Water Resources of Tajikistan, and Nazimzhon Ernazarov, Head of the State Inspectorate for Control and Supervision of the technical condition and safety of the largest and most important water facilities under the Cabinet of Ministers of the Republic of Uzbekistan (Gosvodkhoz nadzor) alternately chaired the sessions of the meeting.

5. Adoption of the Agenda

11. The meeting adopted the following agenda:

1. Opening of the Meeting.
2. Election of Chairs and adoption of the agenda of the Meeting.
3. Summary of activities which followed the second phase of the "Dam Safety in Central Asia: Capacity Building and Regional Cooperation" Project.
4. Overview of activities related to dam safety in Central Asia.
5. Development of cooperation in Central Asia to ensure the safety of dams.
6. International experience and perspectives to support cooperation on dam safety in Central Asia by international organizations and financial institutions.
7. Plans for future activities to ensure dam safety in Central Asia.
8. Formulation of recommendations of the Meeting.
9. Miscellaneous.
10. Closing of the Meeting.

12. The full program of the Regional Meeting on Dam Safety Cooperation in Central Asia is found in Annex 2.

B. SUMMARY OF DISCUSSIONS

13. Mr. Bo Libert, UNECE Regional Adviser informed the meeting about the activities implemented after the second phase of the "Dam Safety in Central Asia: Capacity Building and Regional Cooperation" Project.

14. In respect to the agenda item "Overview of activities related to Dam Safety in Central Asia" national project coordinators from each Central Asian country, i.e. Mr. Medet Ospanov, Kazakhstan; Mr. Iskender Djoldoshaliyev, Kyrgyzstan; Mr. Akbarhodzha Nabiyeu, Tajikistan, and Mr. Nazimzhon Ernazarov, Uzbekistan, made presentations of the work on dam safety in Central Asia in the past two years. They also briefed the meeting about progress achieved in the development of the Draft Regional Cooperation Agreement on Dam Safety, and identified priority lines of action for each country to ensure

the safety of hydraulic structures. Mr. Shukhrat Talipov, the Plenipotentiary Representative of the Republic of Uzbekistan in EC IFAS, outlined the plans of the EC IFAS activities with respect to dam safety.

15. Mr. Yuri Steklov, consultant, gave an overview of the progress in the development of the Draft Regional Cooperation Agreement on Dam Safety in Central Asia. He proposed to discuss the various possibilities of its further development. The majority of the participants were in favor of continuing work on the Draft Regional Agreement. Representatives of EC IFAS expressed their readiness to continue working on harmonization of the Draft Agreement with the support of the UNECE.

16. The progress in development of cooperation in Central Asia to ensure the safety of Hydraulic Structures was reflected in reports of Mr. Iskender Djoldoshaliev; Mr. Oleg Makarov, Kyrgyzstan, and Mr. Vladimir Scherbyna, consultant, who all reported on the cooperation achieved in ensuring safety of Hydraulic Structures on the Chu and Talas rivers between Kazakhstan and Kyrgyzstan. In particular, they reported results of work aimed to establish a system of automated safety monitoring at Kirov dam. Mr. Medet Ospanov and Mr. Tursun Ibraev, Kazakhstan, reported on the establishment of a training center on dam safety in Taraz, and its planned activities.

17. Mr. Bo Libert, UNECE, informed the meeting about the progress of the Eurasian Development Bank Project on facilitating dam safety cooperation in Central Asia, which provides for support of the Regional meeting on dam safety and development of a Methodological guide on the safety of hydraulic structures. The status of development of the Methodological guide on the safety of hydraulic structures was accounted for by Mr. Shukhrat Talipov, Uzbekistan and Mr. Alexander Yurchenko, consultant.

18. During the session on international experience, Mr. Jürgen Fleitz, expert from Oficina Técnica de Estudios y Control de Obras, SA, shared the experience of ensuring dam safety in Spain, and Mr. Sahib Hassanzadeh and Mr. Arif Akhundov shared the experience of improving dam safety in Azerbaijan.

19. During the session on the perspectives to support cooperation on dam safety in Central Asia by international organizations and financial institutions, Mr. Nikolay Pomoshchnikov informed the meeting of the intention of the UN ESCAP to implement a project on improving safety of small hydraulic structures in Central Asia, and elaborated on the plans of the project. Mr. Shukhrat Talipov stated the intentions of the EC IFAS to facilitate projects related to the safety of Hydraulic Structures under the ASBP-3. Mr. Boris Minarik, Slovakia, spoke about state regulation of dam and other large hydraulic structures safety in Slovakia, and suggested several possible areas of cooperation between Slovakia and Central Asian countries in this regard. Mr. Volker Frobarth, Programme Director, Transboundary Water Management in Central Asia Programme, GIZ, shared the agency's plans to promote cooperation on dam safety in the region.

20. When reviewing the list of possible areas of cooperation to ensure dam safety in Central Asia, countries expressed their wishes as to the priorities of individual lines of action, and proposed several new directions. In particular, they proposed to develop standard regulatory and technical documents on dam safety.

C. CONCLUSION AND RECOMMENDATIONS

21. The meeting adopted the following decisions and recommendations on the agenda:

1. Take note of the progress reports on dam safety in Central Asia presented by the national coordinators. Request UN ECE to support the work on priority lines of action to ensure dam safety, which were identified in the reports.
2. Take note of the willingness of countries to continue working on the Draft Regional Cooperation Agreement on Dam Safety in Central Asia. Support with gratitude the intention of EC IFAS to continue work on the Draft Agreement. Ask the EC IFAS to explore the possibility of setting up a working group on dam safety in Central Asia under the auspices of IFAS before the end of 2013, and to inform the UNECE accordingly. Request the UN ECE and UN ESCAP to support the work of this group, if established.
3. Request the UN ECE and the UN ESCAP to assist in the identification of international and donor support for the implementation of ASBP-3.
4. Gratefully acknowledge the important role of UN ECE in promoting cooperation on dam safety on Chu and Talas Rivers between Kazakhstan and Kyrgyzstan. Request the UN ECE to inform the Governments of Kazakhstan and Kyrgyzstan on the results of work aimed to establish a system of automated safety monitoring at Kirov dam, and about the need for co-financing by the countries to complete these works.
5. Recommend the main authors of the Methodological guide on hydraulic structures safety to refine the text in accordance with the comments obtained from the national coordinators, and suggestions and remarks voiced at the meeting before November 30, 2013. Request the National Coordinators to submit comments to the further edited version before December 15, 2013.
6. Express appreciation to the UN ESCAP for their intention to conduct training courses on safety of small hydraulic structures in Central Asia in the first half of 2014.
7. Express appreciation to the representatives of Spain and Azerbaijan for the opportunity to learn from the experiences in ensuring dam safety in these countries.
8. Gratefully acknowledge the suggestions of representatives of Slovakia and GIZ on dam safety cooperation with the Central Asian countries.
9. Express appreciation to the Russian Federation and the Eurasian Bank for their support in organizing the meeting and developing the Methodological guide on hydraulic structures safety.
10. Express gratitude to the EB IFAS for the excellent organization of the meeting.
