Working Party on Agricultural Quality Standards

Sixty-third session  
Geneva, 5–9 November 2007  
Item 8(a) of the provisional agenda

**GENERAL QUESTIONS**

**Questionnaire on the use of UNECE standards**

Note by the secretariat<sup>(\*)</sup>

To keep track of progress in the implementation of standards at the national level, the Working Party, at its November 2006 session, asked the secretariat to draft a list of questions to send to countries to collect information on the practical use of UNECE standards.

Following that decision the secretariat has drafted the questionnaire presented below. It reflects comments made by the specialized sections.
