REVISION OF THE CONVENTION

(a) Proposals for amendments to the Convention

Documentation: TRANS/WP.30/AC.2/R.30 (TRANS/WP.30/R.190); TRANS/WP.30/AC.2/R.29 (TRANS/WP.30/R.189); TRANS/WP.30/AC.2/R.28 (TRANS/WP.30/R.188); TRANS/WP.30/AC.2/R.27 (TRANS/WP.30/R.187); TRANS/WP.30/AC.2/43; TRANS/WP.30/172; TRANS/WP.30/170; TRANS/WP.30/168; TRANS/WP.30/AC.2/R.23 (TRANS/WP.30/R.170).

11. The Administrative Committee recalled that the ECE Inland Transport Committee, at its fifty-seventh session in January 1995, had decided that work should be initiated on an urgent revision of the provisions of the TIR Convention to provide for stable long-term solutions in this field (ECE/TRANS/111, paragraph 96). Based on these decisions and detailed considerations in the ECE Working Party on Customs Questions affecting Transport and in the TIR Contact Group, two informal ECE expert groups had prepared a first package of amendment proposals which were contained in document TRANS/WP.30/AC.2/R.23 (TRANS/WP.30/R.170).

12. At its eighty-fourth, eighty-fifth (special), eighty-sixth and eighty-seventh sessions, the ECE Working Party has considered most of these amendment proposals in detail, taking into consideration the various comments and suggestions made by Contracting Parties, national associations and the IRU (TRANS/WP.30/174, paras. 19-21; TRANS/WP.30/172, paras. 10-12; TRANS/WP.30/170, paras. 6-12; TRANS/WP.30/168, paras. 57-63). The TIR Administrative Committee, at its twenty-first and twenty-second sessions, has considered the remaining amendment proposals (TRANS/WP.30/AC.2/45,

paras. 12-18; TRANS/WP.30/AC.2/43, paras. 10-13).

13. As requested, the ECE secretariat has prepared a new consolidated document containing all amendment proposals considered by the Working Party and the Administrative Committee. This document (TRANS/WP.30/AC.2/29 (TRANS/WP.30/R.189)) has been considered in detail by the ECE Working Party at its eighty-eighth session (23-27 June 1997). The Working Party has approved the amendment proposal contained therein with a few modifications which were contained in conference room documents TRANS/WP.30/CRP.44 and Adds. 1-2.

14. Taking note of the long and detailed deliberations of the ECE Working Party on this matter, representing more than 30 Contracting Parties to the Convention, the Administrative Committee considered the proposed amendment proposals as contained in documents TRANS/WP.30/AC.2/29 (TRANS/WP.30/R.189) and TRANS/WP.30/CRP.44 and Adds. 1-2 and <u>adopted them by consensus</u> subject to the following modifications:

TRANS/WP.30/AC.2/47 page 4

Annex 6, new explanatory note 9.I.1 (a)

 \underline{Modify} the new explanatory note 9.I.1 (a) to read as follows:

"9.I.1 (a) Established association

The provisions in annex 9, Part I, paragraph 1 (a) cover organizations involved in the international trade of goods, including chambers of commerce."

Annex 8, new Article 10, paragraph (g) ENGLISH ONLY

<u>Replace</u> the word "issuance" by: "issue".

Annex 6, new explanatory note 8.13.1-2

The Committee adopted this new explanatory note to annex 8, new article 13, paragraph 1 on the understanding that the term "the work of the members of the TIR Executive Board will be financed by their respective Governments" should be interpreted in the sense that Governments should at least cover the salaries of the members of the TIR Executive Board. Further considerations will be required in this respect during the preparation of the Terms of Reference and the detailed cost plan of the TIR Executive Board. With regard to financing the travel costs of members of the TIR Executive Board, different views were expressed.

New annex 9, Part I, paragraph 1 (f)(x)

<u>Modify</u> the term "TIR Administrative Committee" to read: "Administrative Committee".

New annex 9, Part I, paragraph 2

At the beginning of the sentence, <u>delete</u> the words: "Competent authorities of".

15. All amendment proposals adopted by the Administrative Committee at its present session are contained in annex 2 to this report.

(b) <u>Revision procedure</u>

16. The Administrative Committee noted that the amendment procedure in line with article 59 of the Convention would apply. With regard to the amendment proposals pertaining to Annex 6 to the Convention, the Committee decided, pursuant to article 60 of the Convention, that with regard to the time periods provided for objections and the coming into force of these amendment proposals the provisions of article 59, paragraph 3 should apply.

17. Such a procedure would ensure that all amendment proposals could, if no objections were raised, come into force 15 months following the date of communication of the proposed amendments by the Secretary-General of the United Nations.

18. The Administrative Committee was of the view that, given the urgency of the implementation of the adopted amendment proposals, it might be necessary to allow for all or parts of the amendment proposals to come into force at an earlier stage than foreseen in article 59 of the Convention.

19. In accordance with an opinion expressed by the Legal Office of the United Nations in New York, pursuant to article 25 of the 1969 Vienna Convention on the Law of Treaties, which is generally considered as codifying international law in this regard, a treaty or a part of a treaty may be applied provisionally pending its entry into force if the treaty so provides, or the negotiating States have in some other manner so agreed. A decision to this effect by the Administrative Committee, in parallel or following the adoption of the amendment proposals, would give immediate binding force among the Contracting Parties to the provisions relating to, for example, the establishment and financing of the TIR Executive Board.

20. This possible alternative would not exclude the possibility of an objection lodged by one or more Contracting Parties to the final entry into force of the amendments; thus it would be essential, should the Administrative Committee choose to pursue this course of action, that there exist a genuine consensus among Contracting Parties on the introduction of the envisaged amendments. Incidentally, it should be provided that, if an objection is lodged with the Secretary-General of the United Nations, any provisional application must immediately cease.

21. The Administrative Committee decided to consider this matter in more detail at its next session together with other arrangements to be made to implement the provisions of the adopted amendment proposals, including the Terms of Reference and the budget of the TIR Executive Board. Delegations were requested to consult at the national level on this issue with a view to allowing the Administrative Committee to take a decision at its forthcoming session.
