Economic Commission for Europe

Administrative Committee for the TIR Convention, 1975

Fifty-eighth session

Geneva, 12 June 2014

Item 2 of the provisional agenda

Activities and administration of the TIR executive board (TIRExB):

Election of replacement members of the TIR Executive Board

Election of replacement members of the TIR Executive Board

Note by the secretariat

A. Nomination of candidates

1. In accordance with the relevant provisions of the Convention and on the basis of the decisions taken by the Administrative Committee at its fifty-seventh session (ECE/TRANS/WP.30/AC.2/117, para. 34), the UNECE secretariat is soliciting herewith candidates willing to stand for election as replacement members of the TIR Executive Board (TIRExB). The two replacement members of the TIRExB are expected to be elected by the Administrative Committee at its fifty-eight session (Geneva, 12 June 2014), by a majority of the Contracting States present and voting.

2. The letter of nomination should contain the name and present function of the candidate a Government may wish to nominate, together with a short description of his/her duties and qualifications and should include a phrase that the activities of the nominated candidate in his/her capacity as TIRExB member will be financed by his/her government. Letters of nomination should reach the UNECE secretariat at the latest on 15 April 2014 (Attention: Mr. Miodrag Pesut, Office 402-4, Palais des Nations, CH-1211 Geneva 10; e-mail: wp.30@unece.org; fax: +41-22-917-0614).

B. Circulation of list of candidates

3. Following receipt of the names of candidates, the UNECE secretariat will circulate, on 16 April 2014, a list of all nominated candidates to the Contracting Parties to the Convention. In accordance with the decision of the Administrative Committee (TRANS/WP.30/AC.2/59, para. 26), no further candidates may be nominated following the

issuance of this list by the UNECE secretariat. It is understood, however, that candidates may be withdrawn following the circulation of the list of nominated candidates.

4. In this context, the Contracting Parties to the Convention may wish to note that the TIRExB shall be composed of nine members, each from different Contracting Parties to the Convention. The term of office of each member of the TIR Executive Board shall be two years. The members of the TIR Executive Board may be re-elected (Annex 8, Article 9 of the Convention). In accordance with Explanatory Note 8.13.1-2 of the Convention, the work of the members of the TIRExB is financed by their respective Governments.

5. In accordance with the Rules of Procedure of TIRExB, in case a member of TIRExB resigns before the completion of his/her mandated term of office, the elected replacement member shall only hold office for the unexpired portion of the term of office of his/her predecessor (TRANS/WP.30/AC.2/117, para. 30).

C. Criteria for nomination of candidates and election procedure

I. Criteria for the nomination of candidates for the TIRExB

6. The criteria for the nomination of candidates for the TIREB, adopted by the Administrative Committee at its twenty-ninth session (TRANS/WP.30/AC.2/59, paras. 24–27), are as follows:

(a) Board members should be competent and experienced in the application of Customs procedures, particularly the TIR transit procedure, both at national and international levels (TRANS/WP.30/AC.2/51, annex).

(b) Board members should be nominated by their respective Governments or organizations being Contracting Parties to the Convention. They should represent the interests of the Contracting Parties to the Convention and not the specific interests of any one individual Government or organization (TRANS/WP.30/AC.2/51, annex).

II. Procedure for the election of candidates for the TIRExB

7. The election procedure, adopted by the Administrative Committee at its twenty-ninth session (TRANS/WP.30/AC.2/59, paras. 24–27), is as follows:

(a) If the number of nominated candidates equals the number of available posts in the TIRExB, these candidates will be elected by acclamation by the Contracting States present and voting. If the number of candidates is higher than the number of available posts, all candidates will be elected by secret ballot. In such a case, each Contracting State will have as many votes as there are available posts. A cumulation of votes on any one candidate is not permissible (TRANS/WP.30/AC.2/53, para. 31).

(b) Candidates who have obtained a majority of votes are elected. In case the majority of votes has been obtained by more candidates than there are posts available, the candidates with the highest number of votes are elected (TRANS/WP.30/AC.2/53, para. 31).

(c) The TIR Secretary and his staff will arrange for the election procedure and the counting of votes (TRANS/WP.30/AC.2/53, para. 31).

(d) The number of votes obtained by the nominated candidates during the election will not be disclosed (TRANS/WP.30/AC.2/53, para. 34).

8. In accordance with the procedure adopted by the Administrative Committee in February 1999, on the occasion of the initial election of members of the TIRExB, nominated candidates may wish to introduce themselves briefly before the election procedure to the delegations of the Contracting Parties present at the session of the Administrative Committee.
