TRANSPORT DATABASE AND INFORMATION SYSTEMS DEVELOPMENT

Sources of transport statistics on the Internet

Note by the secretariat

Note: In accordance with the request by the Working Party, at its fifty-second session, the secretariat has prepared this document concerning the updated list of Internet links which are made available on the UNECE Transport Statistics Home Page.

The Working Party may wish to note that the Transport Division's web page has been revised and updated. The currently available contact sources are listed below in this document. The web address of this web site is:

<http://www.unece.org/trans/main/wp6/transstatlinks.html>

Delegates are kindly requested and encouraged to continuously inform the secretariat about the creation of new or revision of the existing national or international public and relevant private web sites. This continuous flow of information to the secretariat is necessary for the improvement and updates of the Transport Division's web site.
