

PROPOSAL FOR DRAFT AMENDMENTS TO REGULATION No. 48

(Installation of lighting and light-signalling devices)

Note: The text reproduced below was prepared by the secretariat after the consideration by GRE of TRANS/WP.29/GRE/2004/48. This document reflects the outcome of the discussion within GRE during its fifty-third session with regard to the installation provisions for the possible use of a registration plate which emits the light itself.

The modification to the existing text of the Regulation is marked in **bold** characters.

PROPOSAL

Paragraph 2.7., amend to read:

"2.7. "Lamp" means a device designed to illuminate the road or to emit a light signal to other road users. **With the exception of light emitting rear registration plates**, rear registration plate lamps and retro-reflectors are likewise to be regarded as lamps;"
