

Proposal for draft amendments to Regulation No. 107
(M₂ and M₃ vehicles)

A. PROPOSALS

- 1) Transfer paragraphs 7.1.1. and 7.1.2. of Annex 3 of the Regulation to the main text of the Regulation as new paragraphs 5.5. and 5.6.
- 2) Requirements about disengaging any kneeling device in paragraphs 7.7.1.11., 7.7.6., 7.7.7.1. and 7.7.7.7. of Annex 3, should be deleted.

B. JUSTIFICATION

- 1) Paragraphs 7.1.1 and 7.1.2 of Annex 3 contains conditions for measurement of the slope of floor surface. One of these conditions is: "If a kneeling system is fitted to the vehicle, it shall not be in operation."
- 2) Paragraphs 7.7.1.11., 7.7.6., 7.7.7.1. and 7.7.7.7. of Annex 3 also specify that when the slope have to be measured any kneeling device shall not be engaged. However, Annex 8 (paragraphs 3.2.6. and 3.5.) does not contain such condition. Therefore, it may be interpreted that for the slope measurements according to Annex 8 any kneeling system has to be engaged.
