

**DRAFT PROPOSAL FOR AMENDMENT TO REGULATION No. 13
(Braking)**

A. PROPOSAL

Annex 4, paragraph 1.8.1.1., amend to read:

"1.8.1.1. ~~Interurban motor coaches and long distance touring motor coaches of category M3.~~
**Vehicles of categories M₃, belonging to Class II, III or B as defined in R.E.3,
Annex 7.**"

B. JUSTIFICATION

Need for consistency in the different Regulations.

The definition proposed above is in line with Annex 7 to R.E.3 (paragraphs 2.3. to 2.4.5.) and the draft new Regulation on country codes, vehicle categories and definitions (document ECE/TRANS/WP.29/2008/46 - paragraphs 4.2.3. to 4.2.4.2.2.).

The proposed wording in addition is aligned on UNECE R107 where the reference to several classes is usually given by starting with Class I, II and III, and then A and B follow afterwards.
