Working Party on Lighting and Light -Signalling

Sixty-sixth session

Geneva, 4–6 October 2011

Item 12 of the provisional agenda

Regulation No. 112 (Headlamps emitting an asymmetrical passing beam)

Proposal for Corrigendum 2 to the 01 Series of Regulation No. 112 (Headlamps emitting an asymmetrical passing beam)

Note by the secretariat*

The text reproduced below was prepared by the secretariat to correct an editorial error introduced by the 01 series of the Regulation. The modifications to the existing text of the Regulation are marked in bold for new or strikethrough for deleted characters.

* In accordance with the programme of work of the Inland Transport Committee for 2010–2014 (ECE/TRANS/208, para. 106, ECE/TRANS/2010/8, programme activity 02.4), the World Forum will develop, harmonize and update Regulations in order to enhance the performance of vehicles. The present document is submitted in conformity with that mandate.

I. Proposal

Page 2, amendment to paragraph 5.7.2., second line

For paragraph 6.2.5. read paragraph 6.2.4.

II. Justification

When amending paragraph 5.7.2, the 01 series of the Regulation changed inadvertently the reference to paragraph 6.2.4. (values of the passing beam) by a reference to paragraph 6.2.5. This proposal corrects this error.
