

Proposal to delete the references to Annex 4 in Supplements 1 and 2 to the 06 series of amendments to UN Regulation No. 83

Submitted by the UNECE secretariat

The Supplements 1 and 2 to the 06 series of amendments (Revision 4) to UN Regulation No. 83 include some provisions to amend Annex 4, even if Annex 4 does not exist in the text of the UN Regulation, and even if the text of its Annex 4a clearly states that it "effectively replaces former Annex 4".

Since Supplements 1 and 2 include the same changes that are proposed for the missing Annex 4 (para 6.1.3.) also for Annex 4a (para 3.4.2.), this proposal suggests to delete the references made to Annex 4 in the two Supplements.

I. Proposal

Annex 4, the amendments included in Supplement 1 and Supplement 2 to the 06 series of amendments, shall be deleted.
