

## Update concerning the ITS activities

- **June 2014 at the 163<sup>rd</sup> WP.29 session**

WP.29 decided that:

- Given the significance of the latest technological developments,
- the IWG on ITS will be refocused to reflect the rapid technological development,
- the IWG will take forward the challenges and coordinate the work of WP.29 and its related GRs on issues related to autonomous driving/automated driving/self-driving cars.

- **Last IWG session:**

Highlights of the session on Friday, 27 June 2014 from 9.30-10.30 a.m.

- Explanation by the WP.1 secretariat about the adopted amendments to the 1968 Vienna convention
- Presentation by the secretariat on the state of play related to new technologies, automations and self-driving.

- **Next IWG session on ITS**

- in Geneva on 11 November 2014

- **Next round table on ITS**

- in Brussels on 17-18 November 2014
