Tenth session

Geneva, 30–31 October 2014

Item 3 of the provisional agenda

Facilitating of the coordination of integrated time schedules and tariffs on the Euro-Asian transport links

EATL draft questionnaire

Note by the secretariat

What type of cargo **may be** transported from Asia to Europe and from Europe to Asia overland (rail)? For what type of cargo comes overland transport competition? Please be specific regarding the type of cargo: volume, weight, value, perishability, danger,...

What type of cargo **may not be** transported from Asia to Europe and from Europe to Asia overland (rail)? For what type of cargo there is no overland transport competition?

For what type of cargo there are strong synergies between overland and maritime transport? How can they be enhanced?

What are the problems that exist in Euro-Asian maritime transport? How can they be overcome? How they affect different type of cargo?
