

Proposal for a Supplement to the 06 series of amendments of Regulation No. 48

Note: The modifications to the current text of the regulation are marked in bold or strikethrough characters.

I. Proposal

12.5. Transitional provisions applicable to 06 series of amendments.

Contracting Parties applying this Regulation:

(a) From 18 November 2017 (60 month after the date of entry into force) shall grant approvals only if the vehicle type to be approved meets the requirements of this Regulation as amended by the 06 series of amendments.

(b) Until 30 July 2016 for new vehicles types of categories M₁ and N₁ and until 30 January 2018 for new vehicle types of other categories (respectively 66 and 84 months after the official date of entry 05 series of amendments into force) shall grant approvals if the new vehicle type to be approved meets the requirements of one or more of paragraphs 6.2.7.6.2. or 6.2.7.6.3. to 6.2.7.6.3.3. instead of those of paragraph 6.2.7.6.1. of this Regulation as amended by the 06 series of amendments.

II. Justification

The present text in transitional provision makes possible to use paragraph 6.2.7.6.2. or 6.2.7.6.3. instead of the paragraph 6.2.7.6.1. without date limitation in series of amendments 6 of Regulation No.48.

The rules should be unified for series of amendments 5 and 6.
