

## **Proposal for Corrigendum to the 02 series of amendments to Regulation No. 118 (Burning behaviour)**

### **I. Proposal**

*Annex 4, Appendix 1, paragraph 1.1.2.*, correct to read:

"1.1.2. Fulfils the requirements in paragraph 6.6.2.: yes / not applicable<sup>1</sup>"

### **II. Justification**

Paragraph 6.6.2. does not exist in the Regulation No. 118. Paragraph 4.5.3.2. and Annex 5 read that the symbol "V" indicates that the material fulfils the requirements in paragraph 6.2.2. This means in practice that the melting behaviour of material is tested. Therefore, the reference in Appendix 1 of Annex 4 to the component type approval communication form must mean paragraph 6.2.2.
