Economic Commission for Europe

Inland Transport Committee

Working Party on the Transport of Dangerous Goods

Joint Meeting of Experts on the Regulations annexed to the European Agreement concerning the International Carriage of Dangerous Goods by Inland Waterways (ADN) (ADN Safety Committee)

Twenty-ninth session

Geneva, 22-25 August 2016

Item 4 (b) of the provisional agenda

**Proposals for amendments to the Regulations annexed to ADN:
Other proposals**

Updating of the reference to a standard in 9.3.3.21.5 (c)

Transmitted by the Central Commission for the Navigation of the Rhine (CCNR)^{1,2}

I. Introduction

1. The German delegation has drawn the attention of the CCNR secretariat to the fact that in the transition from ADN 2013 to ADN 2015, the reference to a standard in 9.3.2.21.5 (c) was updated, but not the one in 9.3.3.21.5 (c). The Safety Committee is invited to consider the following amendment proposed by the CCNR secretariat.

II. Justification

2. At the RID/ADR/ADN Joint Meeting held from 18 to 22 March 2013, decisions were taken to amend ADN. The amendments for ADN 2015, contained in annex II of

¹ Distributed in German by the Central Commission for the Navigation of the Rhine under the symbol CCNR-ZKR/ADN/WP.15/AC.2/2016/29.

² In accordance with the programme of work of the Inland Transport Committee for 2016-2017 (ECE/TRANS/2016/28/Add.1 (9.3)).

document ECE/TRANS/WP.15/AC.1/130, included an updating of the reference to a standard in 9.3.2.21.5 (c). Clearly, at the time the fact that a reference to a standard in 9.3.3.21.5 (c) too had to be updated was overlooked.

III. Proposed amendment

3. In 9.3.3.21.5 (c), replace “EN 12827:1996” with “EN 12827:1999”.
