

**MATTERS ARISING FROM THE 53rd SESSION OF THE INLAND TRANSPORT COMMITTEE**

Transmitted by the secretariat

At its sixty-third session (13-15 February 2001) the Inland Transport Committee:

- (i) Requested all its competent subsidiary bodies to contribute actively to an effective implementation of the relevant programme elements in the Vienna Programme of Joint Action (POJA) and to the 2002 POJA mid-term review (ECE/TRANS/136, para. 14), and
- (ii) Asked member Governments to become Contracting Parties to the legal instruments developed under its auspices and to take all necessary measures to implement them. In this connection it also reiterated its request to its subsidiary bodies to undertake an assessment of the legal instruments in order to consider updating those, which have become obsolete (ECE/TRANS/136, para. 21).

The above-mentioned requests of the Committee are being brought to the attention of WP.29 for a follow-up, as appropriate.
