Status of amendment proposals adopted by the Working Party

Submitted by Poland

With reference to the forthcoming session of the Working Party on Intermodal Transport and Logistics that will be convened at Geneva on 27-28 September 2005 Poland would like to propose an amendment to the AGTC Agreement.

The amendment concerns the line:

Czechowice Dziedzice – Żywiec – Zwardoń/Skalite – Čadca – Žilina.

We suggest to add this section to the AGTC Agreement under the number C63 as it would be a continuation of C-E 63 Žilina – Leopoldov - Bratislava (-Kitsee) (already in AGC and AGTC Agreement).

In that case line C63 on the territory of Slovakia and Poland would be as follows:

SK: Žilina - Čadca - Skalitie (-Zwardoń)

PL: (Skalite-) Zwardoń – Żywiec – Czechowice Dziedzice.

Our proposal was agreed with Slovakia during the second session of Polish-Slovak Commission of Intermodal Transport on 6-7 September 2005.
