## International PPP Centre of Excellence: future policy advisory missions and capacity-building activities

**Tony Bonnici**  
**UNECE**

Geneva, Switzerland  
6 February 2013

# International PPP Centre of Excellence

## Capacity-building activities

- **15-17 May 2013:** National Seminar on promotion and financing of innovative green technologies, Ashgabat, Turkmenistan;
- **Follow-up Workshops** to the readiness assessments in Kyrgyzstan and Tajikistan in 2013;

# International PPP Centre of Excellence

## Capacity-building activities

- **September/October 2013:** National Seminar on promotion and financing of innovative green technologies, Astana, Kazakhstan;
- **Belarus:** a number of activities are planned in 2013 and 2014 as part of the capacity-building and training project.

# International PPP Centre of Excellence

## Policy Advisory Missions and Services

- **PPP Assessments planned in 2013 in:**
  - Azerbaijan;
  - Kazakhstan; and
  - Turkmenistan.
- **...to provide Governments with the means to facilitate the financing of clean infrastructure through PPPs, while at the same time, identify potential pilot green technology projects.**

# International PPP Centre of Excellence

## Policy Advisory Missions and Services

- Develop training materials, studies, policy papers and best practice guides to be used in the capacity-building and training activities;
- Deliver other policy advisory services, including comments on draft PPP legislation and subsidiary legislation.

**THANK YOU**

**Tony Bonnici**
