## Committee on Environmental Policy

Twenty-sixth session Geneva, 9–11 November 2020 Item 11 of the provisional agenda Calendar of meetings

Information paper No. 8 22 September 2020

## Calendar of events and holidays in 2022

#### Note by the secretariat

- 1. As the currently agreed dates for the Conference (3–5 November 2021) overlapped with the new dates for the twenty-sixth session of the Conference of the Parties to the United Nations Framework Convention on Climate Change (new dates: 1–12 November 2021), the Bureau at its virtual meeting on 4 June 2020 agreed to recommend that the Committee consider rescheduling the Ninth Environment for Europe Ministerial Conference to take place in 2022 (preferably late spring beginning of summer 2022). The Bureau also agreed that, when doing so, the host country ought to be consulted and its preferences taken into account.
- 2. To facilitate the informed discussion by the Committee, the Bureau requested the secretariat to prepare a list of global/regional meetings scheduled to take place in 2022.
- 3. The paper also includes an overview of main holidays observed by the United Nations Headquarters in Geneva and Cyprus Public Holidays in 2022.
