Budapest Liszt Ferenc International Airport is situated appr. 16 km east of Budapest. As in all major cities, use caution and avoid taking a ride with strangers offering transfers to the city. There are also many private companies offering pre-booked limousines.

miniBUD Airport Shuttle Services

miniBUD offers a shared ride to any address in the city. Advance booking is available online and the service fee is always more favourable if you book a return journey.

Taxi

Főtaxi is the officially appointed taxi company to service the airport. All taxi companies use a fixed tariff of 280 HUF/Km (0.95 EUR/Km) in addition to the basic fee of 450 HUF (1.50 EUR) and waiting fee. A ride to the city centre should typically cost around 6500 HUF (22 EUR) depending on traffic conditions.

Főtaxi booths are located at the exit at Terminal 2 A & B. At the taxi rank in front of the stands taxis are parking continuously waiting for passengers.

Please be aware of exposing yourself to risk by using non-regulated taxi service providers.
