

Impacts of the equitable access self-assessments

in the Republic of Macedonia

***Prof. Mihail Kochubovski, Institute of Public Health
of the Republic of Macedonia***

4TH MEETING OF THE EXPERT GROUP ON EQUITABLE ACCESS

Budapest, 13-14 September 2018

Session 6

Actions to achieve equitable access to water and sanitation

- * On February 1st 2017 the working group in the municipality of Veles held a meeting and established a managing board (Local Steering Committee), that will operate within the framework of the municipality of Veles and local communities covered by the score-card. Dr Snezana Petrova once more presented the findings of self-assessment which was conducted within the project “Score-card for equitable access to water and sanitation”.

Actions to achieve equitable access to water and sanitation

On February 7th a meeting with the same agenda was held in Kumanovo, attended by representatives of all municipalities covered by the score-card. Dr Mimoza Veličkovski - Popovska presented the findings.

Actions to achieve equitable access to water and sanitation

* The meeting in Skopje was held on February 10th

Actions to achieve equitable access to water and sanitation

- * In the meantime, Prof. Mihail Kochubovski and Natasa Dokovska had a meeting with Mr. Ilber Mirta from the Ministry of Environment about the national executive committee (steering committee), but still cannot form this group because of local elections that are expected to be held on 15th October.
- * Local Action Plans for Skopje, Veles, Kumanovo, Rankovce, Kratovo, Kriva Palanka and Staro Nagoricane are prepared and evaluated by all relevant stakeholders in their municipalities.
- * There are plans for establishing national steering committee and national workshop with promotion activities.
