GTZ Programme

Transboundary Water Management in Central Asia:

Component 1: Regional dialogue and cooperation on water resources management

- **1.1 Regional institutions in the field of water cooperation**
- **1.2 International water legislation and regional guidelines/principles for water management**
- **1.3 Regional and bilateral agreements on water resources**
- **1.4 Regional guidelines for water monitoring and data exchange**

Objective for Component 1:
The capacities of regional institutions responsible for water management (IFAS, ICWC and others) are improved.
