Secretariat to the Convention on Long Range Transboundary Air
Pollution (CLRTAP)
c/o Albena Karadjova

Date: 18th April 2021

Dear Secretariat

The Convention on Long Range Transboundary Air Pollution Global Forum

I am writing to confirm that the UK would like to take up the opportunity to co-chair the CLRTAP Global Forum.

The UK is excited to have been offered this opportunity to create an international platform for countries to share information, learn and collaborate on air pollution.

Please note that we are happy to make this information available to the other parties.

I look forward to discussing plans for the forum with the other parties, the other co-chair and the secretariat in due course.

Yours sincerely
