# How mainstream gender in PoW?

- Promote participation of women in intergovernmental bodies
- Encourage participation of women in capacity-building events, pilot projects and other activities
- Include gender considerations in publications
- Session on gender aspects of transboundary water cooperation at WGIWRM or part of session
- Gender-sensitive and Inclusive Analysis of SDG indicator 6.5.2 as part of UN-Water IMI-SDG6
- Further suggestions:

Undertaking a study on mainstreaming gender in transboundary water cooperation and under the Convention
