This event and associated works of the UNECE RE-Uptake Project was commissioned by the Federal Ministry for Economic Affairs and Energy. Through various projects, dena supports the German government in implementing energy and climate policy goals.

In cooperation with

UNECE: The United Nations Economic Commission for Europe is one of the five regional commissions under the jurisdiction of the United Nations Economic and Social Council. All activities relating to the Hard Talks are implemented in close cooperation with the UNECE Secretariat.

REN21: REN21 is the global community of renewable energy stakeholders from Science, academia, governments, NGOs and industry. They provide up-to-date facts, figures and peer-reviewed analysis on global developments in technology, policy and markets, to inform decision makers.

AKBN: The National Agency of Natural Resources (*Agjencia Kombëtare e Burimeve Natyrore*) is an Albanian government agency that supervises and monitors the use of natural resource Albania and is a close country partner for the UNECE RE-Uptake Hard Talk with Albania.
