

# UNECE Ministerial Meeting on Urban Development, Housing and Land Management

Geneva, 6-8 October 2021

# The Danish Housing Sector

## Four different types of housing

- Private housing
- Cooperative housing
- Private rental housing
- Social Housing

## Social housing

- Open to everybody
- Distributed by waiting lists
- 600.000 dwellings, 20 pct. of the Danish housing sector
- Subsidized by the state

# The Green Housing Agreement

- From spring 2020
- €4 billion from 2021-2026
- Green and sustainable renovation
- €1.6 billion invested in 2020 to kick-start the economy

# Parallel Societies in Denmark

## **Vulnerable social housing areas**

- Everybody should have the same opportunities
- Mixed residential areas
- Family homes reduced to 40 pct. in the most troubled areas
- The policy is showing good results

# Cities and Rural Areas I

## Cities

- Mixed cities and neighborhoods
- Affordable housing is a key priority
- New social housing units in cities
- 33 pct. social housing in new areas

# Cities and Rural Areas II

## Rural areas

- Increase opportunities
- Decentralization
- Educational and health institutions outside the big cities

**Thanks for listening**
