TIR CARNET DISTRIBUTION PRICES AS OF 1 JANUARY 2022

Dear Mr Alexopoulos,

In line with Annex 9, Part III of the TIR Convention and the Agreement between the United Nations Economic Commission for Europe (UNECE) and the International Road Transport Union (IRU) for the years 2020 to 2022, I would like to inform the TIR Secretariat on the current distribution price per type of TIR carnet to be issued by IRU in 2022.

Further to the decision taken by the IRU competent bodies, the IRU distribution price per type of TIR Carnet as of 1 January 2022 will remain the same as the one in 2021, as follows:

- 06 volets — CHF 32.19
- 14 volets — CHF 64.20

The distribution price does not include the individual amount to be invoiced for the financing of the TIRExB and TIR Secretariat, nor the transport and secure packaging costs, where applicable.

IRU will keep UNECE duly informed of any changes to the distribution prices.

Yours sincerely,
