

SUSTAINABLE TRANSPORT

## **Transport Statistics Activities**

Alex Blackburn; Secretary, Working Party on  
Transport Statistics (WP.6)

# Annual Session of WP.6

Hybrid, 9-11 June 2021

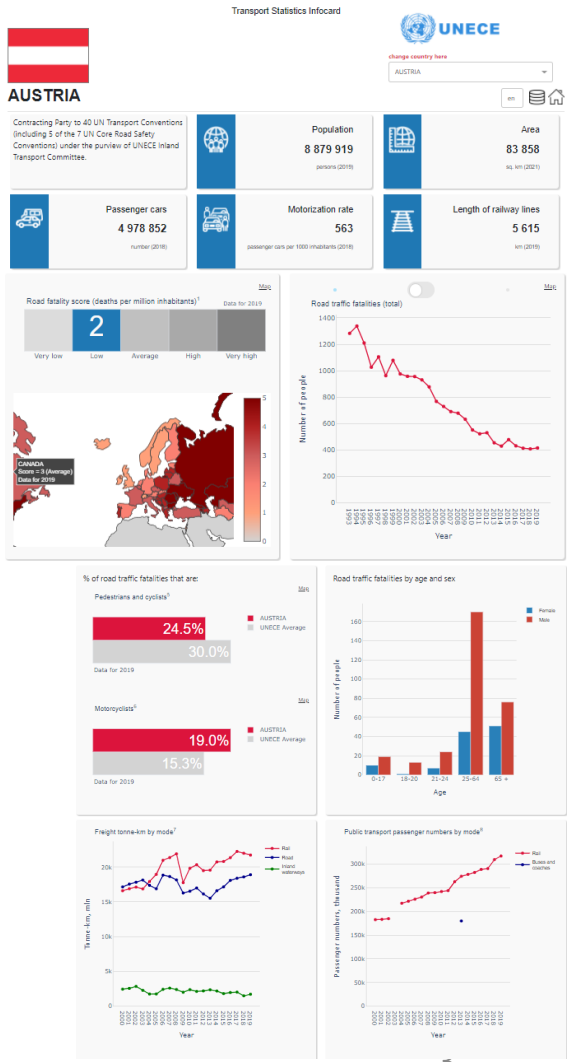

- Updates on transport-related SDGs
- Approval of ToR alignment with ITC Strategy
- Tram and Metro data collection&dissemination
- Experience sharing on new data sources for faster tracking of mobility

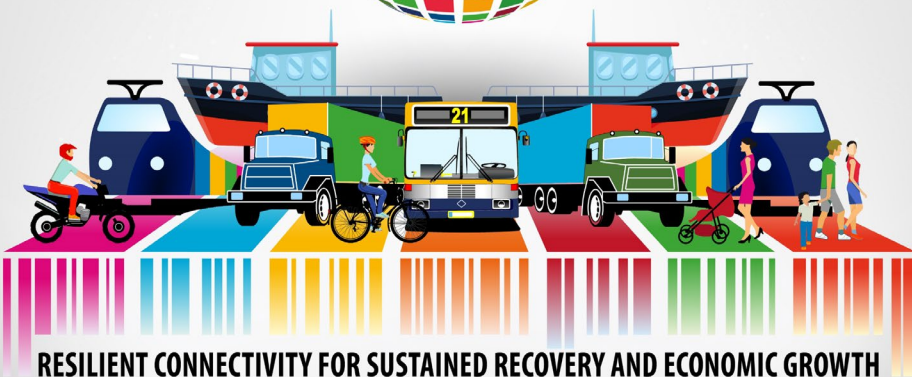

# 2022 Focus

- Improving transport statistics dissemination
  - <https://stats.unece.org/infocard/en/040/>
  - Data stories: allow users to explore data rather than just download.
- Helping countries integrate new mobility sources: Mobile Phone Data, traffic counters.
- Improving geospatial transport statistics in context of UNECE traffic censuses.
- Travel Surveys and their relevance to SDG monitoring.

**BACK TO A SUSTAINABLE FUTURE**
