

# Workshop: Best practices to address the issues of energy efficiency in buildings and their implementation in the UNECE member States

11 March 2022, 10:00-13:00 GMT+4  
Hybrid (Yerevan and online)

**UNECE**

**75 YEARS  
OF ECONOMIC INTEGRATION  
AND COOPERATION  
IN THE REGION**

# Welcome Remarks

75

UNECE

- **Mr. David Grigoryan**, Deputy Chairman, Urban Development Committee of Armenia
- **Mr. Oleg Dzioubinski**, Regional Adviser, UNECE

# Enhancing National Capacities to Develop and Implement Energy Efficiency Standards for Buildings in the UNECE Region

75

UNECE

**Regional and national studies on gap analysis between the performance objectives set forth in the Framework Guidelines for Energy Efficiency Standards in Buildings and Implementation of Current Energy Efficiency Standards**

Ms. Nadejda Khamrakulova, Project Officer, UNECE

# Panel discussion on implementation of recommendations from the regional and national studies

UNECE

**Moderator:** Mr. Vahram Jalalyan, Project Coordinator UNDP-GCF; Co- Chair, Joint Task Force on Energy Efficiency in Buildings

## **Panellists:**

Ms. Ruzan Adamyan, Head of Construction and Normative Department, Urban Development Committee of Armenia

Mr. Maksat Amiraev, Head of Department of Development and Monitoring of Housing and Communal Services, State Agency of Architecture, Construction and Housing and Communal Services, Kyrgyzstan

Mr. Nicolae Magdîl, Lead Consultant, Energy Policy Department, Ministry of Infrastructure and Regional Development, Republic of Moldova

Ms. Ani Rafyan, UNECE Consultant/ Mr. Andre Ohanian, Energy Expert, Armenia

Mr. Mikhail Toropov, UNECE Consultant, Kyrgyzstan

Mr. Sergiu Robu, UNECE Consultant, Republic of Moldova

# Panel discussion on implementation of recommendations from the regional and national studies

UNECE

## Questions:

- What has been done in the countries recently to ensure development of energy efficiency policies and their adjustment to regional contexts?
- Have the financial incentives been introduced to encourage investment in the energy efficiency improvements?
- How can national institutions ensure effective implementation of building energy efficiency standards in the countries?

# Enhancing National Capacities to Develop and Implement Energy Efficiency Standards for Buildings in the UNECE Region

UNECE

**National training seminars on high-performance energy efficiency standards in buildings in Armenia, Kyrgyzstan and the Republic of Moldova**

*Mr. Matija Vajdic, UNECE Consultant*

**Collaborative environment for experts on energy efficiency in buildings in the UNECE Region**

*Ms. Nadejda Khamrakulova, Project Officer, UNECE*

**Evaluation of the project “Enhancing National Capacities for Development and Implementation of the Energy Efficiency Standards in Buildings in the UNECE Region”**

*Ms. Nelly Dolidze, Evaluation Expert*

**Draft impact assessment on how to better implement best practices and guidelines developed by UNECE activities to address the issues of energy efficiency in buildings**

*Ms. Lisa Amend, UNECE*

# Panel discussion on best practices and guidelines to address the issues of energy efficiency in buildings and their implementation in the UNECE member States

UNECE

**Moderator:** Mr. Oleg Dzioubinski, Regional Adviser, UNECE

## **Panellists:**

Mr. Vahram Jalalyan, Co-Chair, Joint Task Force on Energy Efficiency in Buildings

Mr. Kostiantyn Gura, Chair, Group of Experts on Renewable Energy; Co-Chair, Group of Experts on Energy Efficiency

Mr. Andres Jaadla, Member of UNECE Real Estate Market Advisory Group (REM); Chairman of the Management Board, Estonian Union of Co-operative Housing Associations

Mr. Igor Litvinyuk, Energy Efficiency Programme Officer, UNECE

Mr. Aleksandar Dukovski, Senior Energy Expert

Mr. Alexey Tulikov, Head of the Directorate for the Development of Legislation in the Fuel and Energy Sector, Russian Energy Agency

Mr. Romanas Savickas, Senior Adviser, UNEP-CCC, Copenhagen Climate Centre

# Panel discussion on best practices and guidelines to address the issues of energy efficiency in buildings and their implementation in the UNECE member States

UNECE

## Questions:

- How can countries use or implement recommendations and guidelines developed by UNECE to address energy efficiency improvement in buildings?
- Which best practices in energy efficiency in buildings should be implemented in the countries?
- How can knowledge and implementation of advanced energy efficiency standards in buildings be improved in the UNECE region?

# Closing Remarks

UNECE

**Mr. Oleg Dzioubinski, Regional Adviser, UNECE**

Thank you for participating!
