

# Team of Specialists on Forest Products Statistics

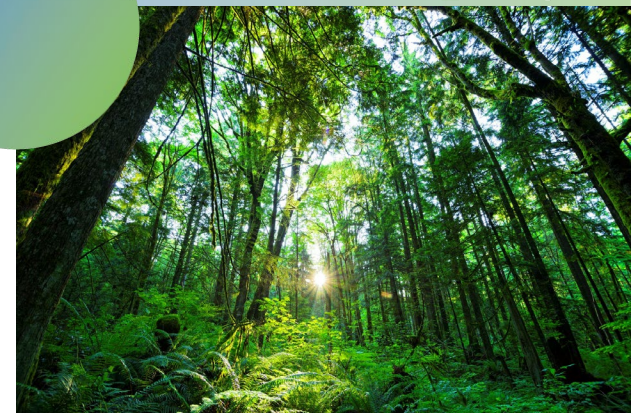

Leader: Mr. Branko Glavonjić

Deputy: Ms. Graça Maria Louro

Secretary: Mr. Alex McCusker

Joint Working Party on Forest Statistics, Economics  
and Management, 1-3 June 2022

# Composition of the ToS on FPS

- 34 members
- 24 countries
- 4 organizations and
- 2 international organizations

# Outputs and impacts achieved since March 2021

- Production of JFSQ for 2021, covering the compilation on post-consumer recovered wood as a single item, as agreed by the team and discussed during 2019.
- Questionnaire for Engineered Wood Products (Glulam, CLT, LVL, I-beams, production and trade), developed since 2017.
- Active participation of ToS members in the production of the Forest Products Annual Market Review 2020-2021 (FPAMR 2020-2021)

# Outputs and impacts expected for 2022 and first half of 2023

1. Continuing the work on definitions, methodologies and data sources;
2. Preparation of forecast data on forest products production and trade;
3. The issue of double counting will also be pursued including the distinction between chips used for energy versus chips used for industry;
4. Collection of historical data on forest products, species trade, and prices;
5. Production of JFSQ for 2022;
6. Timber Forest Questionnaire;

# Outputs and impacts expected for 2022 and first half of 2023

7. Preparation of data and the statistical annex for the FPAMR 2021-2022;
8. Preparation of tables and graphs for the Market Forecasts 2022-2023;
9. Improvement of the existing database and expansion of available information;
10. Dissemination through FAOSTAT and ECE websites.

# THANK YOU

Prof. Dr Branko Glavonjić

Leader of the ToS on Forest Products Statistics

31<sup>st</sup> May, Geneva

Joint Working Party on Forest Statistics,  
Economics and Management, 1-3 June 2022
