

# Implementation of the United Nations Decade of Healthy Ageing [2021-2030]

SIDE EVENT:  
UNECE MINISTERIAL CONFERENCE ON AGEING

Rome, Italy | 16 June 2022 [Thursday] | 15:50 - 16:10 CEST  
Room: POLA [-1] | Livestream will be available on <https://bit.ly/dha-yt>

The United Nations Decade of Healthy Ageing [2021-2030] is a global collaboration, aligned with the last ten years of the Sustainable Development Goals. The Decade brings together governments, civil society, international agencies, professionals, academia, the media, and the private sector for ten years of concerted, catalytic, and collaborative action to improve the lives of older people, their families, and the communities in which they live.

This side event will:

- Give a rapid overview of major achievements since the United Nations General Assembly declared 2021-2030 the Decade of Healthy Ageing;
- Briefly introduce some of the main tools of the Decade, such as the online knowledge exchange Platform;
- Discuss synergies with the Madrid International Plan of Action on Ageing [MIPAA] Regional Implementation Plan;
- Engage all participants in identifying key opportunities going forward; and
- Listen to some key leaders on what global and regional actions are planned for 2022-2023.
