

# Leadership and Governance for Sustainable Development

02 - 03 June 2022

BI, Brattørkaia 16, Trondheim

Join us at the first conference of the Centre for Sustainable Development of Trondheim Kommune, on Leadership and Governance for Sustainable Development, co-organized with the United Nations Economic Commission for Europe (UNECE), the Norwegian University of Science and Technology (NTNU), the BI (student association) and the Nord University, on 2-3 June 2022 in Trondheim! We will especially welcome our partners and the members of the Sustainability network.

The event is held in a 24-hour format (from midday to midday), where the participants play active roles by sharing experiences in leadership and governance for sustainable development and provide input to the first national competence program on Sustainable Leadership Development in Norway. It will also present the achievements of the Centre of Sustainable Development and its partners in implementing the 2030 Agenda for Sustainable Development.

Registration is on a first come, first served basis with only 70 spots available [here!](#) This conference's attendance is reaching capacity quickly but we will let you know as soon as possible if we have a spot for you!
