### **Transitional provision of paragraph 9.3.X.40.2**

**Transmitted by the Informal Group of ADN Recommended Classification Societies\*, \*\***

#### **Introduction**

1. At its fortieth session the ADN Safety Committee agreed in principle on the interpretation of the Informal Group of ADN Recommended Classification Societies that the transitional provision in 1.6.7.2.2.2 for paragraph 9.3.x.40.2 also applies to the other spaces mentioned in 9.3.X.40.2 and not only for the engine room. It was agreed that the best way forward is to amend the provisions in 1.6.7.2.2.2 for 9.3.X.40.2.

#### **Proposal for amendment**

2. The ADN Safety Committee is requested to consider and adopt the below proposal to amend ADN 1.6.7.2.2.2.
