Open Source
Transformation in NSOs

SOAPBOX PITCH TO
CAPTURE IN-PERSON
KNOWLEDGE FOR A BETTER
START TO BSTN ACTIVITY
AT THE 2022 WORKSHOP ON
THE MODERNISATION OF
OFFICIAL STATISTICS
KATE BURNETT-ISAACS,
STATISTICS CANADA

NSOs are facing the same journeys to adopt Open Source

OPEN SOURCE TRANSFORMATION
KNOWLEDGE SHARING ACTIVITY UNDER
THE BSTN WILL BE PRESENTED
TOMORROW

Soapbox call out: come talk to me!

- We can use coffee breaks, lunch, and this network (finally in-person!) to discuss, understand and capture common struggles, journey and use cases to launch the BSTN activity quickly in the new year
- Can't find me? Please email me at kate.burnett-isaacs@statcan.gc.ca

Want to start before January?

- Statistics Canada is hosting the 10th International Conference on the Use of R in Official Statistics (uRos2022)
- Virtual conference
- December 6-8, 2022
- Contact me for agenda and connection information
