PIETRO CHECCUCCI

**THE FOURTH NATIONAL REVIEW AND APPRAISAL
PROCESS OF MIPAA/RIS**

15th meeting of the Standing Working Group on Ageing
Geneva, November 21-22 2022

Contents

The Italian National review and appraisal process

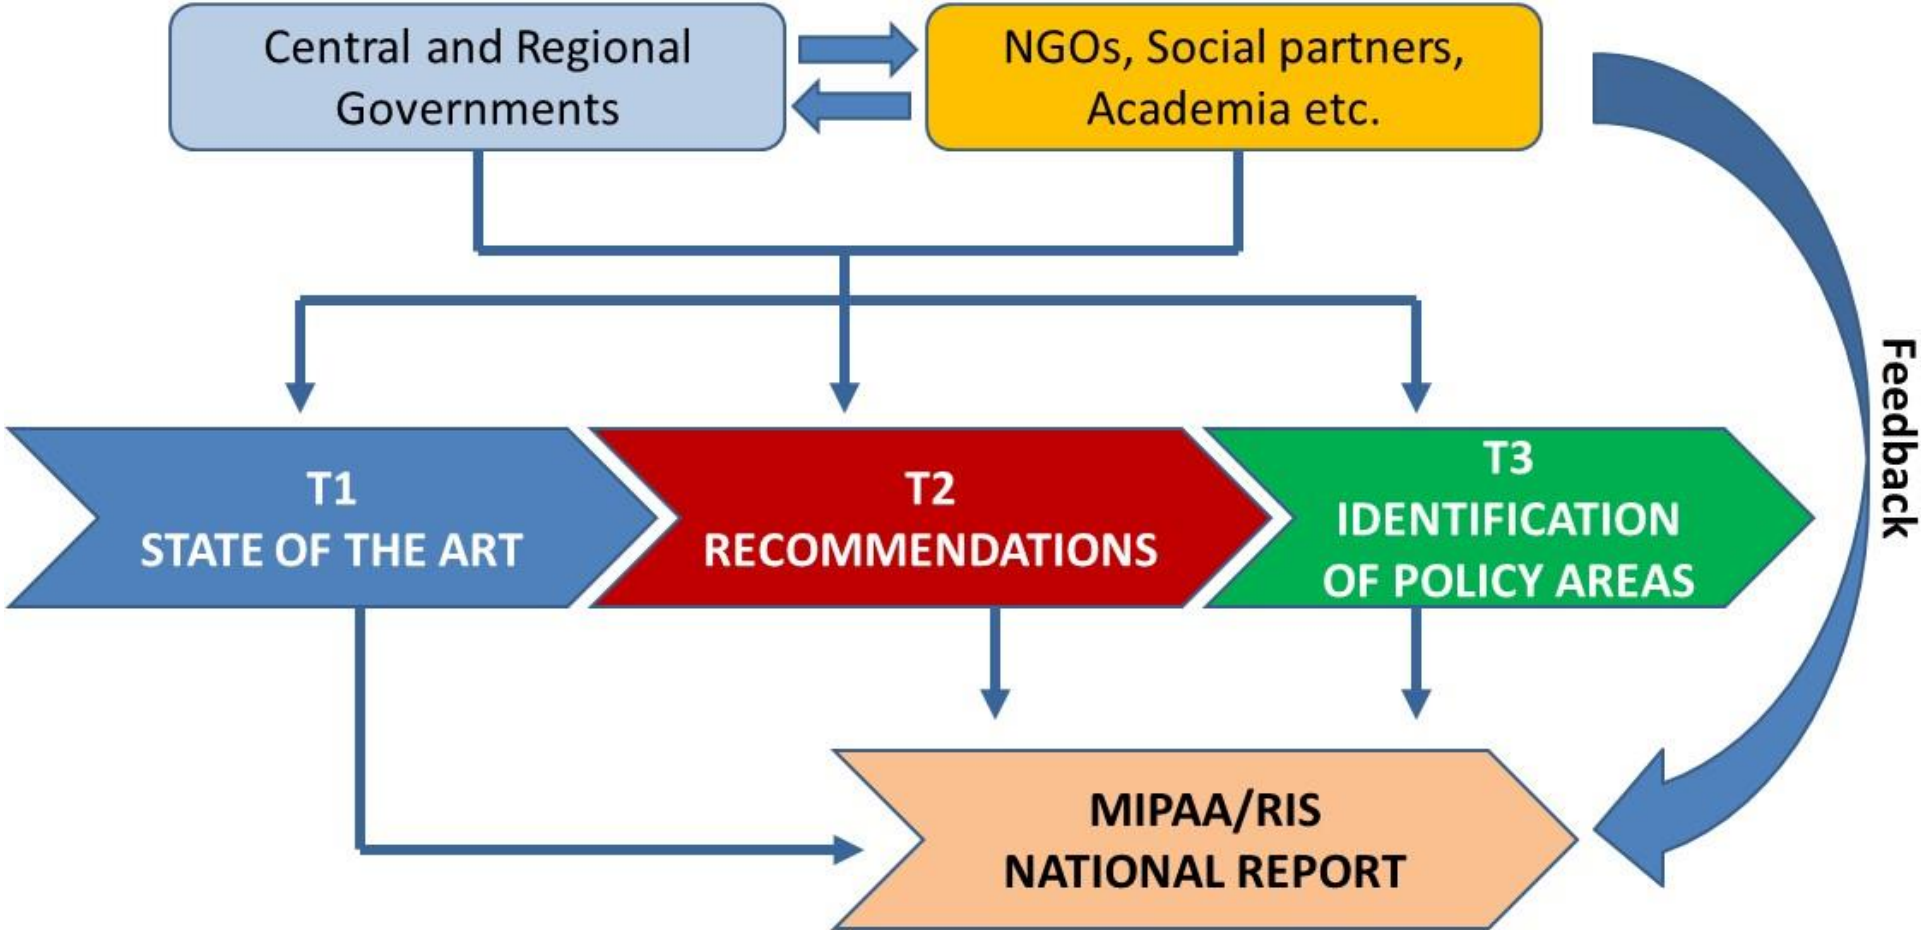

The review and appraisal cycle public consultation

- The Fourth Appraisal Cycle of the MIPAA/RIS has adopted a methodology based both desk analysis of both quantitative and qualitative information
- The integration of desk analysis with a bottom-up approach was made possible by the comparison and documentation activities carried out as part of the Italian “National multilevel co-managed coordination of active ageing policies” Project (2019-2022)

The Italian review and appraisal process within the National multilevel co-managed coordination of active ageing policies project

April 2019 - October 2020
