

Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals

Sub-Committee of Experts on the Globally Harmonized
System of Classification and Labelling of Chemicals

2 December 2022

Forty-third session

Geneva, 7-9 December 2022

Item 2 of the provisional agenda

**Recommendations made by the Sub-Committee
at its fortieth, forty-first and forty-second sessions**

Correction to ST/SG/AC.10/C.4/2022/13

Note by the secretariat

1. The secretariat has been informed that an amendment adopted by the Sub-Committee at its fortieth session has been overlooked in the list of consolidated amendments in document ST/SG/AC.10/C.4/2022/13.

2. The report of the Sub-Committee on its fortieth session (ST/SG/AC.10/C.4/80)¹ does reflect in paragraph 16 the adoption of the proposals in document ST/SG/AC.10/C.4/2021/5 (as amended by informal document INF.22). The proposals in ST/SG/AC.10/C.4/2021/5 included a consequential amendment to Chapter 1.2 of the GHS to insert a definition for “integrated approach on testing and assessment” (IATA). However, this amendment was inadvertently omitted in the annex to the report and was subsequently not included in the consolidated list of amendments in ST/SG/AC.10/C.4/2022/13.

3. The Sub-Committee is invited to consider the following correction to the list of amendments in ST/SG/AC.10/C.4/2022/13, in accordance with the decision taken at its fortieth session.

4. The secretariat will consolidate the amendments in ST/SG/AC.10/C.4/2022/13, as corrected, together with the amendments adopted by the Sub-Committee at its forty-third session in an annex to the report of the Committee of Experts that will be circulated under the symbol ST/SG/AC.10/50/Add.3.²

Proposal

5. Insert the following amendment in the list of consolidated amendments to the ninth revised edition of the GHS:

“Chapter 1.2

Insert the following definition in the alphabetical order:

“*IATA* means “Integrated Approach on Testing and Assessment”;
