Steps to join the Convention

Article 5 Proposals for signing, ratifying, approving, accepting and acceding to international treaties contain:

assessment of possible political, legal, financial, economic and other consequences of the conclusion of international treaties;

officially certified copies of the texts of international treaties;

list of states-participants of multilateral international agreements;

- translation of the text of international treaties into the state language, certified by the seal of the state body responsible for their conclusion;

a list of normative legal acts of the Republic of Tajikistan, in which, in connection with the entry into force of an international treaty, there is a need to make changes and additions;

A scenic landscape featuring a range of snow-capped mountains in the background. In the foreground, a body of water is filled with numerous icebergs of various sizes, some resting on a rocky shore. The sky is a clear, vibrant blue with a few wispy white clouds. The overall scene is bright and clear, suggesting a high-altitude or polar environment.
