

Working Group on Environmental Monitoring and Assessment

Twenty-fifth session, Geneva and online, 2-3 May 2023

Agenda Item 8: Sharing & integration of economic, social & environmental data with regard to the implementation of the 2030 Agenda for Sustainable Development

Discussion

Question:

How can the work presented on environmental information, data and indicators better support:

- integrated assessments, reporting on and implementation of SDGs
- and other activities related of the Working Group?

Question:

What are relevant topics for the 26th session of the Working Group?

Thank you!

Proposed conclusions

Proposed Conclusion:

The Working Group:

- a) Takes note of the suggestions related to how the work presented under this session on environmental information, data and indicators can better support the development of integrated environmental assessments, reporting on and implementation of SDGs and other activities of the Working Group
- b) Takes note of the suggestions on topics for the 26th session of the Working Group
