## Geographical location

The distance from the center of the community to the road of regional significance P-15 is 5 km, to the regional center of Lutsk - 100 km.

Community borders the Republic of Poland, the distance to the nearest checkpoint "Ustylug-Zosyn" is 12 km.

# Natural resource of Poromiv community

Characterized by the presence of hard coal deposits of the Lviv-Volyn Basin.

The land fund of the territorial community is 11,009.1002 hectares:

- under construction and home plots - 1,117.0000 hectares;
- arable land - 8,808.3117 ha;
- reserve land - 1,083.7885 ha.

Arable lands are represented by the spread of dark gray podzolized soils, which is very favorable for the development of highly productive agriculture specializing in crop production, namely the cultivation of grain and technical crops.

# Coal industry

On the territory of Poromiv community, there is one operating Mine "Buzhanska" and the only mine under construction on the territory of Ukraine – "Mine No. 10". Mines are the main budget-forming enterprises of the community, with an income share of more than 50%

# Mine «Buzhanska»

## Mine «Buzhanska»

Average thickness of the reservoir  $n_8$  - 0,85 m,  
depth of occurrence - 320-380 m.

The stratum is classified as medium ash.

The grade of coal mined - LFG.

Design capacity – 300 thousand tones per year

# Mine № 10

**ПОРОМІВСЬКА  
ТЕРИТОРІАЛЬНА  
ГРОМАДА**

## Mine № 10

- A coal mine under construction
- The only newly built mine in Ukraine, the financing of which took place at the expense of the budget funds of Ukraine.
- The construction of the mine was started in the 1980s with an annual production capacity of 0.9 million tons of coal and reserves of 37.8 million tons of thermal coal of the gas group.

# Economy of the community

In 2022, 2,356 people were employed in the real sector of the economy, which is more than a third of the population of the community.

For now, there are 28 legal entities - subjects of entrepreneurial activity, 128 individual entrepreneurs, 20 agricultural producers (individual farmers), there are 1,342 personal peasant farms.

# Tourist infrastructure of Poromiv community

In 2021 the community had got a new location on it's territory - the 11-meter-high "Poromiv swing". There are plans for recreation area with gazebos and a barbecue zone, and a 25 km eco-bike route.

There is an Orthodox chapel in the village of Petrove, built near a famous hill. And there are springs with healing water flow from under that hill and form the Debra river, which flows into the river of Western Buh.

# Thank you!
