Item 4 (b) of the provisional agenda

**Proposals for amendments to the Regulations annexed to ADN:
other proposals****Proposal for a correction to 1.10.3 of ADN****Note by the secretariat* ******Introduction**

1. The French delegation informed the secretariat of a possible mistake in the Note at the beginning of 1.10.3, specifically in the reference given to Article 4, paragraph 1 of the Agreement.
2. In 1.10.3 of ADR, reference is given to Article 4, paragraph 1 which reads:
“1. Each Contracting Party shall retain the right to regulate or prohibit, for reasons other than safety during carriage, the entry of dangerous goods into its territory.”
3. A similar text in the ADN Agreement can be found in Article 6:
“Each Contracting Party shall retain the right to regulate or prohibit the entry of dangerous goods into its territory for reasons other than safety during carriage.”
4. Therefore, the secretariat agrees with the French delegation that the correct reference to be given in 1.10.3 (Note) is to Article 6 of the Agreement and asks the ADN Safety Committee to confirm this interpretation.
