

General information and WP.29 highlights

- **The next session is scheduled from 29 April to 3 May 2024**
- **The deadline for submission of official working documents is 5 February 2023**
- For new pictures with notes, all text for translation should be editable. No text as an embedded image!
- Copyright/intellectual property issues: the submitter of any document (including a presentation) may be invited to confirm that publication of this document on the UNECE website and further use does not violate any copyright/intellectual property rights and that the submitter agrees to hold UNECE harmless of any copyright/intellectual property claims concerning this document. If a document contains materials of third parties, permission of these parties may be required.
- The attributes of official UN documents (UN logo, number, code, etc.) should not be used in informal documents, even for a revised version of an official document

Highlights of the recent session(s) of WP.29

June 2023

- Celebration of the 25 years of the 1998 Agreement. Statements are in an addendum to the report
- GRPE to take coordination and leadership on WP.29 input to the ITC Climate Change Strategy
- The discussion on the use of Unique Identifier and DETA continued
- For DETA, WP.29 endorsed ‘two-factor authentication by e-mail’ and reviewed the access table for different stake-holders
- GRE Chair reported on the GRE discussions about the ADS status indicator. China, France, Netherlands, UK and ITU delivered remarks. WP.29 decided to consider this issue in detail in November 2023
- See report in [ECE/TRANS/WP.29/1173](https://www.unece.org/transport/working-papers/2023/01)
