

Training Workshop 2 on the Practical Application of SEA in Armenia (assessment, mitigation, consideration of SEA results, monitoring, and development of terms of reference for SEA)

Agenda

23 – 24 November, 2023

Day 1: 10:00 - 17:20

Day 2: 09:30 - 13:20

Double Tree by Hilton Yerevan City Centre
4/2 Grigor Lusavorich
Yerevan, Armenia

Training Workshop 2 on the Practical Application of SEA in Armenia
(assessment, mitigation, consideration of SEA results, monitoring, and development of terms of reference for SEA)
23 - 24 November 2023,

Double Tree by Hilton Yerevan City Centre

Background

The United Nations Economic Commission for Europe (UNECE) as secretariat to the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo Convention) and its Protocol on Strategic Environmental Assessment (Protocol on SEA) is providing technical advice and support to Armenia in the development of its SEA system in line with the Protocol on SEA.

This support includes conducting two SEA training workshops under the European Union-funded EU4Environment programme (2019 - 2024).

This **Training Workshop 2** builds on Training Workshop 1 to have been delivered on 30-31 October 2023 and will raise awareness and build capacities of the national stakeholders on such key elements of SEA as strategic policy and objective-led analysis, assessment of effects, development of mitigation measures and monitoring proposals, reviewing the quality of SEA reports, consideration of the SEA recommendations in the strategic planning document and decision making. The event is organized by the Ministry of Environment of the Republic of Armenia and UNECE, and facilitated by the international and national SEA consultants to UNECE.

Training workshop's objectives, expected outputs and outcomes

- raise awareness and build capacities of national sectoral planning authorities, regional
 planning authorities, local self-governing bodies, and other stakeholders in Armenia
 about the analytical approaches used in SEA concept, development of mitigation and
 monitoring proposals, reviewing the quality of SEA reports, consideration of the SEA
 recommendations in the strategic planning document and decision making, and aspects
 to be considered when developing terms of reference for SEA.
- raise awareness and build capacities of sectoral planning authorities, decision-makers, local self-governing bodies, and other stakeholders in Armenia about SEA process according to:
 - the amended national legislation on SEA;
 - the Protocol on SEA to the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo Convention) and the European Union's SEA Directive (2001/42/EC);
- to enhance the capacities of the training workshop participants in undertaking the assessment and quality review during the SEA process using practical exercises.

Participants

The workshop will gather up to 35 participants from the sectoral ministries, specialised divisions of the Ministry of Environment and the Ministry of Health, regional planning authorities, local self-government authorities, and representatives of civil society.

Practical Information

The working languages of the workshop are Armenian and Russian. Simultaneous interpretation in Armenian and Russian will be provided.

About EU4Environment

The "European Union for Environment" (EU4Environment – Green Economy) Action helps the Eastern Partnership countries preserve their natural capital and increase people's environmental well-being, by supporting environment-related action, demonstrating and unlocking opportunities for greener growth, and setting mechanisms to better manage environmental risks and impacts.

It is funded by the European Union and implemented by five Partner organisations - OECD, UNECE, UNEP, UNIDO, and the World Bank – over 2019-2024 period, with a budget of EUR 20 million.

For further information contact: EU4Environment@oecd.org.

For more information please visit our website: www.eu4environment.org.

For further information specifically on activities on SEA and transboundary EIA implemented by UNECE, please contact: leonid.kalashnyk@un.org

AGENDA

DAY 1. 23 November

Time (Yerevan) 9:30 – 10:00 10:00 – 10:15 Opening the training workshop and welcome of the participants Ms. Elyanora Grigoryan, Legal Advisor to the Ministry of Environment of the Republic of Armenia, National Focal Point to the Espoo Convention Introduction to the workshop objectives and agenda Dr. Maia Gachechiladze-Bozhesku, International SEA Consultant to UNECE 10:25 – 10:35 Presentation of the participants and determination of their expectations Facilitated by Ms. Azganush Drnoyan, National SEA Consultant to UNECE, and Dr. Maia Gachechiladze-Bozhesku 10:35 – 11:15 Analyses in SEA: policy analysis, objectives-led analysis, assessment of effects, identification and review of alternatives – Part I Dr. Maia Gachechiladze-Bozhesku Presentation and discussion 11:15 – 11:30 Coffee break Exercise 1: Policy analysis and objective-led analysis in SEA with reference to the example of the SEA for the Waste Management Plan of Armenia Assignment definition Work in pairs/groups Presentation of results Instructors: Dr. Maia Gachechiladze-Bozhesku and Azganush Drnoyan 12:20 – 13:10 Analyses in SEA: policy analysis, objectives-led analysis, assessment of effects, identification and review of alternatives – Part II Dr. Maia Gachechiladze-Bozhesku Presentation and discussion Exercise 2: Can we supplement the Effect Assessment Matrix? Assignment definition Work in a single group Presentation of results Instructors: Dr. Maia Gachechiladze-Bozhesku and Azganush Drnoyan 14:00 – 15:00 Mitigation in SEA Dr. Maia Gachechiladze-Bozhesku Presentation and discussion Coffee break Monitoring in SEA Dr. Maia Gachechiladze-Bozhesku Presentation and discussion 17:00 – 17:20 Wrap-up and agenda for Day 2	DAY 1. 23 November
